

Get Paid What You're Worth

Despite the economic downturn you may hear about, our business is growing and revenues are increasing. Our reputation and commitment to non-stop creative marketing has created an abundance of leads. All we need now is a few more energetic, responsible people with a strong work ethic, a positive attitude and excellent verbal skills.

Merchants' Choice Payment Solutions represents Woodforest National Bank's credit card processing division. We need more account representatives to meet our growing supply of leads.

Most of our salespeople are experiencing double-digit income increases! You don't need industry experience; just a willingness to work hard and a commitment to top notch performance. We provide paid professional training and hands-on coaching. You'll work from our modern, spacious offices right off Hwy 249 @ Jones Rd.

Our producers receive:

- Fresh, qualified leads.
- Comprehensive training in a proven system.
- Hands-on support from experienced coaches.
- Great income & great benefits.
- A career opportunity with an organization that rewards diligence and integrity.
- Fast paced but casual business work environment

If you submit a resume before you call, tell us why you're interested, why you believe you're qualified and include your income history. mwilson@mcpsusa.com.
